

Des Plaines/Park Ridge Relay For Life

KICKOFF

March 4th, from 6:30-8:30 PM

The Relay For Life is a community event held at Maine West High School that raises money to fight cancer and honor those that have been affected by it. Over 200 people participated in the Des Plaines/Park Ridge Relay last year, and this year we would like to double that.

Come join us at the kickoff and learn all about this wonderful event, and how you can get involved in the fight against cancer.
